3. Reasons for Nomination

(Please insert attachments/additional information if there is insufficient space)

General Description:

Please provide an overview below of the reasons why you feel the person being nominated is worth of the MacLean- Iedema Award, bearing in mind the performance must be exceptional.

4. Fulfilment of Criteria

Against each of the five criteria listed below, state how the performance of the person being nominated meets that specific criterion.

4.1 Commitment: *The recipient will be judged to have an outstanding commitment to the sustainable development of irrigation and the irrigation industry, or a sector of the industry.*

4.2 Contribution: *The recipient will be judged to have made an outstanding contribution to the advancement of the irrigation industry. This contribution may be evaluated in quantitative and/or qualitative terms.*

4.3 Performance: *The performance shall be deemed exceptional.*

4.4 Persistence: *The performance will have been sustained over an extended period of time.*

4.5 The Extra Mile: *The performance will extend well beyond that normally expected by the nature of the person's occupation, profession or position within the irrigation industry.*

5. Referee Reports

Referee Reports: Referee Reports to support the nominations should be attached to this form. Please give brief details supporting the suitability of each referee below. Two (2) Referee Reports are required (not including the Nominator)

Referee Report 1:

Referee Report 2:

6. Other associated awards already received by the person being nominated

Provide details of any award or recognition that may already have been made that is associated with the performance for which the MacLean-Iedema Award is being recommended. This is for support and publicity purposes only and will not otherwise influence the decision with respect to the McLean Iedema Award.
