

# Floodplain harvesting measurement

## Secondary metering equipment validation certificate - other

To be used for 'other secondary devices' that are not gauge boards – Please note that WaterNSW will not accept certificates for sites that are yet to have completed a survey benchmark.

| Storage details                                      |                                  |
|--|----------------------------------|
| Registration of Interest Number (ROI)                | Click or tap here to enter text. |
| Water storage work approval number                   | Click or tap here to enter text. |
| Water storage ESID                                   | Click or tap here to enter text. |
| Water storage identifying number (e.g. BR028_1_Res1) | Click or tap here to enter text. |

| Duly qualified person (DQP) details |                                  |
|-------------------------------------|----------------------------------|
| DQP name                            | Click or tap here to enter text. |
| DQP licence number                  | Click or tap here to enter text. |
| Business name                       | Click or tap here to enter text. |
| ABN or ACN                          | Click or tap here to enter text. |
| Postal address                      | Click or tap here to enter text. |
| Phone                               | Click or tap here to enter text. |
| Email address                       | Click or tap here to enter text. |

| Details of approved works                |   |
|--|---|
| <b>Primary authority holder details</b>  |   |
| What is the Authority holder type?       | <input type="checkbox"/> Organisation <input type="checkbox"/> Individual |
| First name                               | Click or tap here to enter text.  |
| Last name                                | Click or tap here to enter text.  |
| Company/Corporation name (if applicable) | Click or tap here to enter text.  |
| Postal address                           | Click or tap here to enter text.  |
| Phone                                    | Click or tap here to enter text.  |
| Email address                            | Click or tap here to enter text.  |
| <b>Property details</b>                  |   |
| Property Name                            | Click or tap here to enter text.  |
| Lot DP                                   | Click or tap here to enter text.  |

**Storage survey requirements (in accordance with Minister's standards)**

|                             |                              |                             |
|-----------------------------|------------------------------|-----------------------------|
| Survey benchmarks installed | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Storage curve adopted       | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

**Secondary measurement equipment**

|   |   |  |   |
