### **HOW TO RENEW YOUR CERTIFICATION**

To ensure certified personnel remain active in the industry and maintain up-to-date knowledge and skills, Irrigation Australia requires regular re-certification. Individuals who meet the required CPD points within the specified timeframe will retain their active status. Those who do not will be classified as non-active.

All certifications are assessed annually, and Irrigation Australia conducts random audits on 5% of all CPD returns each year.

To maintain your certification, you must:

- Remain active in the industry in a role related to your certification
- Provide evidence of earning 5 CPD points annually
- Pay your renewal fee each year

### **HOW TO ADD ACTIVITIES TO YOUR CPD**

To add CPD points in preparation for online renewal, log in to your profile and follow these steps:

1. Navigate to 'MY CPD' and click the 'Add' button.
2. Select the applicable activities completed during the one-year period leading up to your current renewal date.

Activities can be added at any time during your renewal period. Points will be reviewed and verified by Irrigation Australia.

Once you accumulate the required 5 points and pay your renewal fee, you will meet the criteria for renewal for the next year. You can also download copies of your certificates of certification and logos from the same platform.

### **RENEWAL NOTIFICATIONS AND INVOICES**

- You will receive a renewal notification approximately one month before your certification expiry date.
- Your renewal invoice will be available under the Transactions tab in your profile.
- Update your contact details, communication preferences, and other profile information under the About page.

### **NEED ASSISTANCE?**

Managing your certification online via our website is preferred. However, if you encounter any issues, please contact Irrigation Australia's office at 07 3517 4000 or email [Training@irrigation.org.au](mailto:Training@irrigation.org.au) for support.
